

National Strength & Conditioning Coach **(incorporating the role of National under 20 Assistant Coach)**

RUGBY CANADA, the National Sport Governing Body for the sport of rugby football in Canada is seeking experienced and innovative individuals to fill the position of **National Strength & Conditioning Coach**.

The person reports to the Director of Rugby. This position is based out of the Victoria office of Rugby Canada. We are seeking an individual with a comprehensive management and/or technical background in this sport. Advanced level qualifications and/or accreditation will be essential along with a detailed background that reveals a history of performing high level coaching and program management roles.

Applications that address the selection criteria should be submitted to:

Dr Trevor Arnold
Director of Rugby & Referee Development Manager
RUGBY CANADA
Victoria Office
2328 Government Street
Victoria. BC V8T 5G5
Canada

E-mail: tarnold@rugbycanada.ca

RUGBY CANADA offers a competitive compensation package that will reflect the successful applicant's qualifications, level of accreditation and professional experience within the range of \$55,000 to \$65,000. It is hoped that the person will be operating in the role by the end of September. A professional work environment and an ideal lifestyle are offered in the city of Victoria.

A review of the submitted applications will begin on August 9, 2010. All potential applicants are encouraged to submit by this date. Applications received after this date will only be acknowledged if the position has not already been filled.
