ABOUT SPORT BC

Sport BC believes in the power of sport. Together, we build healthy communities, friendships, leaders, connections, and resilience. We, along with our members and KidSport Chapters, work to enhance and support sport participation in British Columbia ensuring everyone has the opportunity to thrive through sport.

In 1966, a small group of dedicated volunteers created an organization to provide a unified voice for amateur sport in British Columbia. While much has changed over the years, our core purpose remains the same.

Who We Are

Sport BC is the non-profit federation, representing 78 Provincial Sport Organizations (PSOs), Multi-Sport Organizations (MSOs), and Disability Sport Organizations (DSOs) in British Columbia. As a member-based organization, Sport BC offers services and programs to build the capacity of our members and advocate on their behalf to improve the landscape for organized sport in British Columbia.

Mission

Sport BC, as a member-based organization, supports the growth of amateur sport in BC and provides leadership through delivery of its programs and services for members.

Vision

Sport in British Columbia is thriving through the leadership of Sport BC and our members.

Values

Integrity, Transparency, Collaboration, Creativity, and Innovation

SANDI SWANIGAN

CHAIR, BOARD OF DIRECTORS

Sport BC Members,

On behalf of the Board of Directors of Sport BC, it is my pleasure to present Sport BC's Annual Report 2025.

It has been a privilege to support and serve an organization such as Sport BC. Under the CEO's leadership, Sport BC continues to work competently and impactfully in the amateur sport sector. Whether delivering programs, acting as an independent advocate for sport, providing members with needed services, or advancing the 2022-2026 Strategic Plan priorities, Sport BC remains a strong partner to and support for our membership. And what a membership! The Board salutes your day-to-day efforts to build healthier bodies, communities and connection in our province. We recognize that you do so in an increasingly challenging and complex environment, making your successes even more laudable.

In September 2024, the Board of Directors met in a full-day session to review governance principles and resources as well as determine the pathway for delivery of strategic goals. We left this meeting with an action plan to update governance processes and resources and more strongly align them with likewise updated operational policies and procedures. This led to very active Committee work which you will see referenced in the individual committee reports below. I am very proud of the work this 6-person Board has accomplished or has underway.

I would like, therefore, to take this opportunity to recognize my fellow directors: Vice-Chair Judy Joseph-Black and Directors Jennifer Fenton, Brian McC Calder and Allan Prazsky. And I wish to give a special mention to Director and Finance Committee Chair Lisa Kwiatkowski who has served with enthusiasm and commitment for 8 years. What a talented, dedicated and collaborative group of individuals you are! All organizations should be so lucky to have such a Board.

In closing, it has been wonderful to serve Sport BC for the past 6 years. I would be remiss to not acknowledge Sport BC's CEO Rob Newman and the organization's management and operations team. You are truly amazing, and I know that Sport BC's future is safe in your hands

Sincerely,

A handwritten signature in black ink, appearing to read 'S. Swanigan', written in a cursive style.

Sandi Swanigan
Chair of the Board of Directors, Sport BC

ROB NEWMAN

PRESIDENT AND CEO

Sport BC Members,

I am proud to share Sport BC's Annual Report with our members and colleagues in the amateur sport sector. Sport BC is a member-based organization with a focus on supporting our membership as they deliver amateur sport in B.C. Sport BC's membership is comprised of seventy-eight provincial sport, multisport, disability sport and sport supporting organizations. As President and CEO, I am proud of our collective efforts and work on behalf of all B.C. sport participants and supporters.

Sport BC's vision is that sport is thriving through the leadership of our members. Through the work of our members and their clubs British Columbians can connect through sport, showcasing the power of sport at all levels and all corners of the province.

A key highlight for the year was the 57th Annual Athlete of the Year Awards on March 6, 2025. Once again Scott Russell was our emcee, and 550 guests came together to celebrate the province's best sporting accomplishments in 2024. In addition to the celebration of the Athlete of the Year Award finalists and winners, the Presidents' Awards were hosted in a special ceremony honouring more than 40 dedicated sport volunteers.

Congratulations to Ultimate BC on being selected as the 4th Annual Delivering on Diversity Award by the Province of BC for their inspiring work, particularly their Ultimate Spirit program. A new addition this was the addition of the Male I-SPARC Athlete of the Year and Female I-SPARC Athlete of the Year into the ceremony. We are proud to work with our member I-SPARC to integrate their top athlete recognition to our awards and thank you for trusting us with this important opportunity. Sport BC is committed to enhancing reconciliation through sport, and we believe this step is an important example of our commitment to this goal. I personally congratulate all finalists and category winners and thank all event sponsors, our members, and guests for supporting the event once again.

Another key highlight of the past year was our advocacy efforts regarding the provincial election campaign. On behalf of members and the amateur sport sector Sport BC was proud to lead the efforts of the Sport for health, connection, and community campaign. To name just a few of our activities we: hosted a booth at the Union of BC Municipalities, conducted public research and polling, created an activist tool kit, hosted a Voting For Sport website to communicate with candidates, engaged with all party leaders, and much more. This was a significant investment of Sport BC and while not all our goals were achieved (yet), we are proud of these efforts and remain committed to continuing this and other advocacy work.

Other efforts over the course of the year have been working towards the goals outlined in our 2022-2026 strategic plan. Specific accomplishments include:

- Increased learning opportunities for members to help diversify revenue sources. Specifically, a detailed philanthropy workshop has been developed and delivered in multiple communities to help sport organization maximize the BC Amateur Sport Fund as a fundraising vehicle.
- Development, implementation, and sharing of member specific talent and compensation survey. This is data driven document that highlights the current situation of our sector and looks at trends and BC specific concerns and challenges.
- Continuing to provide strong programs and services through Sport BC Insurance, KidSport, BC Women and Sport, and the BC Amateur Sport Fund.

The work and efforts listed above and highlighted in our Annual Report is possible because of our staff team who are committed to maintaining high service levels and support for our members. I would like to thank our Board of Directors for their leadership, vision, and support of these efforts. Specifically, I would like to acknowledge outgoing Directors, Sandi Swanigan and Lisa Kwiatkowski. Both have passionately contributed to Sport BC with vision and exceptional believe of our team and the work of our membership. Each director is a valuable member of our Sport BC team.

Lastly, thank you to our members and friends in the sport sector for participating in our programs and services. We are proud to be a part of your team.

Yours in sport,

Rob Newman

FINANCIAL SUMMARY

This financial summary and the table below are based on the review engagement consolidated financial statements of Sport BC and SBC Insurance Ltd. for the year ended March 31, 2025.

Sport BC realized a net operating surplus of \$206,401 for its fiscal year ended March 31, 2025 (2024 – \$326,614) and total excess of revenues over expenses of \$432,457 (2024 – \$549,946) and ended its fiscal year with net assets of \$6,009,295 (2024 – \$5,576,838). - Provincial funding +\$587k comprised of increases in KidSport funding (+\$448k), Kids-in-Sport Whitecaps grant (+\$100k), and sport philanthropy (+\$59k) offset by a decrease of \$20k related to Provincial Funding Program initiatives;
- Other government support -\$165 on Canadian Sport for All Initiative funding in FY2024 that was not received in 2025;
- Net investment income -\$41k on lower capital gains and other distributions from the investment fund vs the prior year; and
- Fees for service and membership dues combined +\$10k on increased payroll activity and changes in membership.

We aim to continue this biannual study in 2026.

Sport BC owns SBC Insurance Agencies Ltd. (SBCI), a full-service retail insurance brokerage. During the mid-1980's liability insurance markets experienced a major crisis resulting in substantial price increases, reduction in coverage and limitations of coverage. SBCI has been providing insurance coverages for Sport BC's members and various NSOs and additional provincial and national sport clients for over 30 years.

As the only non-profit owned insurance brokerage in Canada, SBCI proudly supports a wide range of clients and the team works hard to provide high-level of service and competitive pricing. As a full service insurance brokerage, SBCI can work with various Canadian insurance companies ensuring clients can be confident we have the right products and pricing for their needs.

SBCI continues to support the sport sector in British Columbia and across Canada, by providing quality risk management and insurance advice, which assists clients to select appropriate coverages to protect it's sport/business operations. During these challenging times for amateur sport, feeling assured that proper coverages at competitive pricing is available from a trusted supplier, is the basis for the services provided from SBCI.

Knowing that the profits of SBC Insurance are invested back into the delivery of programs and services, delivered by Sport BC, to support it's membership, is a compelling reason why so many of Sport BC members choose to support this model.

The need to grow the profits of SBCI is necessary, to ensure Sport BC can have a strong impact in Advocacy, Programs and Services and Organizational Excellence.

We encourage you, if you are not already supporting SBCI, to contact us and request a competitive quote for your organization and the amateur sport sector at large.

BC Women & Sport is committed to increasing opportunities for girls and women in physical activity and sport. Through its dedicated team of volunteers, BC Women & Sport has been leading this vital work since the organization was formed in 1990. As a signature aspect of Sport BC, BC Women & Sport is committed to implementing plans to support members with their goals to help female athletes, coaches, officials, volunteers, and administrators to reach their potential in sport.

Under the umbrella of Sport BC, BC Women & Sport is working to strengthen its impact by delivering resources in gender equity and recognition to Sport BC members and the amateur sport community at large. BC Women & Sport is passionate about sharing resources with members to encourage a gender equitable landscape in sport. Through social media channels and other communication tools, we are actively sharing links, studies, opportunities, and events on these topics to encourage members.

A key aspect of BC Women & Sport is recognition. Below are the exceptional women honoured with In Her Footsteps, Bobbie Steen Legacy Foundation Award, and the Presidents' Award that were honoured at the Sport BC 57th Athlete of the Year Awards.

Sport BC Chair Sandi Swanigan and BCWS volunteer Sue Griffin presented the Presidents' Award to Brenda Chinn

BCWS volunteers Erin Wilkins and Sue Griffin presented the Bobbie Steen Legacy Award to Katie Miyazaki

A NEW ERA FOR KIDSPORT BC

Looking at the last decade of grants, the following chart illustrates the number of grants and dollars distributed since 2014. In the previous 6 years before the pandemic (2014-2019) grant numbers remained relatively steady, while dollars distributed saw marginal annual increases, totaling approximately 30% over the 6-year period. This is in stark contrast to recent years when grant totals increased at a much more rapid rate, effectively doubling from 2022 to 2024.

We are incredibly proud of the impact the KidSport program is having for kids and families across BC, but this accelerated increase in demand has been a challenge to keep up with - especially given that most chapters across the province are completely volunteer-run. We are grateful to our partners and donors who generously supported us this past year to help meet the significant need.

KIDSPORT PARTNERS

We would like to thank the following organizations for their significant contributions to KidSport BC in the 2024-25 fiscal year

COMMUNITY SPORT HERO AWARDS

The vital contributions of local sport volunteers in our province are recognized through Sport BC's Community Sport Hero Awards. These awards honour individuals from Sport BC member and partner organizations who embody the spirit of volunteerism through years of dedication and commitment, enriching both their sport and their local community.

Throughout 2024–2025, we have brought this volunteer recognition initiative to four communities: Maple Ridge, Kamloops, Prince George, and Fort St. John. Congratulations to all the recipients and thank you to our members for nominating the volunteers! Full media releases about each event are available at sportbc.com

SPORT BC FINANCIAL LITERACY AND REVENUE DEVELOPMENT WORKSHOPS

In an effort to support local organizations delivering sport throughout the province, Sport BC hosted a unique day of learning focused on the potential of sport philanthropy and financial literacy in various communities, including Burnaby, Castlegar, Cranbrook, Nanaimo, Prince George, Victoria, Fort St. John, and three sessions in Vancouver.

Attendees explored key topics such as Philanthropy and Fundraising, Sources of Support, Planning and Implementation, the Power of Collaboration, and Impactful Storytelling. Thank you to the Province of B.C. for funding these learning opportunities.

ADVOCACY

Sport BC takes its role as an independent voice for amateur sport in the province seriously. Through our Advocacy Working Group and discussions with stakeholders, we work to advance concerns of the sector and ensure sport is on the agenda with key decision makers. In a summer survey 89% of Sport BC members who responded shared they are very satisfied with our advocacy efforts on their behalf.

Over the period of the Annual Report, the primary focus has been leading a collaborative effort for the October provincial election. We greatly appreciate everyone who participated in the campaign, and trust the campaign had an impact. The BC Greens, and the BC NDP included commitments to supporting and enhancing investments in amateur sport, as well as plans for investing in infrastructure. We also worked hard to communicate with the Conservative Party of BC.

Our efforts led to 2,200+ letters and Sport Champions connecting with 259 candidates, from the 3 major parties, and also independents, seeking election in 80 different ridings. After the new cabinet was sworn in on November 18 and the new Minister of Tourism, Arts, Culture and Sport is Spencer Chandra Herbert, Sport BC reached out on behalf of membership and has worked to establish a strong relationship.

“

Congratulations, Minister Chandra Herbert.

Sport BC congratulates the new Tourism, Arts, Culture and Sport Minister, Spencer Chandra Herbert. We look forward to working together on behalf of our 78 member organizations and the 830,000 British Columbians involved in community sport. We also extend our thanks to Minister Lana Popham for her efforts and know she will continue to be a champion of sport.
